

APPLIANCE DESCALER

Always Follow Appliance Manufacturer's Instructions.

APPLIANCE OUTER SURFACES

Watermarks and limescale can be removed from surfaces by applying neat product with a cloth or sponge and removing after a short period. Appliances should be cold during this process.

GUIDANCE FOR DESCALING

- **KETTLES:** Pour 100ml (half a cup) of **APPLIANCE DESCALER** into kettle and fill with tap water. Stir and leave for 8 hours. Empty contents and rinse twice with tap water. Fill kettle as usual, boil once and discard water before use. For heavily scaled kettles use 200ml (one cup) of **APPLIANCE DESCALER** and follow above procedure.
- **RAPID DESCALING OF KETTLES:** Half fill kettle with water and boil. Disconnect from power supply and leave to cool for 60 seconds. Slowly add 200ml (one cup) of **APPLIANCE DESCALER** and leave effervescence to subside. If scale is not completely removed, reheat only until effervescence reappears, DO NOT BOIL. Switch off and allow to cool. Once descaling is complete empty kettle and rinse twice. Fill kettle with water, boil and discard water.
- **STEAM IRONS:** Mix 50ml (quarter cup) of **APPLIANCE DESCALER** with 50ml of water in a jug. Add to steam iron and top-up with water to fill reservoir. Place in a plastic bowl with hotplate facedown. Leave for 15 to 20 minutes before emptying. Rinse twice with water and wipe dry.
- **COFFEE MACHINES:** Pour 100ml (half cup) of **APPLIANCE DESCALER** into a jug and add two cups of water. Stir thoroughly and pour into reservoir. Switch machine on for one minute. Switch off and leave for 8 hours. Switch on and boil remaining liquid through as normal. Discard liquid and boil a full container through machine at least twice before use.
- **SHOWER HEADS:** Pour 50ml to 100ml of **APPLIANCE DESCALER** into a narrow jug. Disconnect shower head and place head down in liquid. Top-up with hot water to cover shower head, stir and leave for 30 minutes. Rinse before use.

CAUTIONS: Disconnect appliances from power supply before cleaning. Do not use on enameled surfaces. Not recommended for old or scale damaged appliances. As with all cleaners the use of protective gloves is recommended. In case of contact with eyes or broken skin, rinse affected areas with plenty of water.

For best results across a wide range of cleaning tasks try the full range of Nilco cleaners: Air Fresheners, Antibacterial Cleaner & Sanitiser, Appliance Descaler, Cabinet Glass Wash, Cabinet Rinse Aid, Citrus Toilet & Urinal Cleaner, Hard Surface Polish, Heavy Duty Cleaner & Degreaser, Heavy Duty Multi Surface Cleaner, Kitchen Grease Buster, Nilglass, Orange Cleaner & Degreaser, Oven Cleaner, Powerfresh Air Fresheners, Purple Beer Line Cleaner, Stainless Steel Cleaner, uPVC Cleaner, Washroom & Bathroom Cleaner and Washroom Descaler.

NILCO APPLIANCE DESCALER

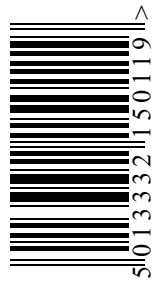

IRRITANT

Irritating to eyes, respiratory system and skin. Keep out of reach of children. Avoid contact with skin and eyes. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. Wear suitable gloves. If swallowed seek medical advice immediately and show this container or label. Use only in well ventilated areas.
