

HEAVY DUTY CLEANER & DEGREASER

- **FAST ACTING:** Nilco Heavy Duty Cleaner & Degreaser effortlessly removes grease and grime and is more effective than conventional cleaners.
- **LOW TAINT:** Nilco Heavy Duty Cleaner & Degreaser can be used with confidence in food preparation areas.
- **SURFACE FRIENDLY:** Nilco Heavy Duty Cleaner & Degreaser is suitable for most non-porous surfaces.
Ideal for tackling all types of stubborn soils with its "deep-clean" action. For use on work surfaces, cooker hobs, baths, sinks, taps, ceramic tiles, walls and appliances.

DIRECTIONS: Remove loose deposits. Open nozzle and spray sparingly on to the surface (spray on to cloth for small confined areas). Wipe with a cloth or sponge and rinse if necessary.

CLOSE NOZZLE AFTER USE

CAUTION: Always follow appliance manufacturer's cleaning instructions. Always wash hands after use. As with all cleaners, avoid prolonged contact with skin by the use of rubber gloves. Do not inhale spray. Suitable for hard, non-porous surfaces. Vitreous enamel finishes vary in durability and resistance. If in doubt about suitability of surface, particularly on old or coloured enamel finishes, pre-test on a small inconspicuous area before general application. Do not use on aluminium and other soft alloys.

HELPFUL HINTS: On stubborn deposits leave to soak for a few minutes before wiping clean. The use of a brush or plastic scourer will assist the removal of deposits.
