

### ORANGE CLEANER & DEGREASER

Ideal for tackling tough grease and soils on all kitchen surfaces with its "deep clean" action. For use on work surfaces, cooker tops, sinks, ceramic tiles, walls, microwaves, cupboard doors etc.

**DIRECTIONS:** Remove loose food deposits. Open nozzle and spray sparingly on to surface (spray on to cloth for small or confined areas) avoiding overspray. Wipe with a cloth or sponge. Rinse or wipe with a clean damp cloth.

#### CLOSE NOZZLE AFTER USE

**CAUTION:** If in doubt about suitability of surface (for example a painted surface) test on a small inconspicuous area before general application. Always follow appliance manufacturers cleaning instructions. Always wash hands after use. As with all cleaners, avoid prolonged contact with skin by the use of rubber gloves. Do not inhale spray.

**HELPFUL HINTS:** On stubborn deposits - leave to soak for a short time before wiping clean. The use of a brush or plastic scourer will assist the removal of deposits.

**For best results across a wide range of cleaning tasks try the full range of Nilco cleaners:**

Air Fresheners, Antibacterial Cleaner & Sanitiser, Appliance Descaler, Cabinet Glass Wash, Cabinet Rinse Aid, Citrus Toilet & Urinal Cleaner, Hard Surface Polish, Heavy Duty Cleaner & Degreaser, Heavy Duty Multi Surface Cleaner, Kitchen Grease Buster, Nilglass, Orange Cleaner & Degreaser, Oven Cleaner, Powerfresh Air Fresheners, Purple Beer Line Cleaner, Stainless Steel Cleaner, uPVC Cleaner, Washroom & Bathroom Cleaner and Washroom Descaler.
